SPONSOR KIDS, COPS & COMMUNITIES

National Conference
Sponsorship Opportunities

Dear Friend of Youth,

National PAL is the only major youth service organization in the world dedicated to connecting youth and law enforcement to improve lives, reduce youth crime and violence, and reduce the tragedy of criminal recidivism. More than 200 PAL Chapters serve some of the most challenging communities, provide a lifeline for over 2 million kids, and a chance for more than 5,000 law enforcement officers annually to provide holistic services to youth and families when they encounter them in their daily work protecting and serving all communities.

As someone who has been involved in law enforcement for over 30 years, I can attest to the impact of National PAL. Research consistently shows that young people who have mentors, positive activities, and a window to a future, are more than twice as likely to avoid crime and violence and most importantly, to find positive pathways to work and schooling.

The National PAL Annual Conference brings together over 1,000:

- Police Chiefs and Sheriffs
- Federal, State and Local Law Enforcement Officers
- Youth Workers
- CEOs of human service agencies and local PAL Chapters
- Corporate and Foundation Officials

We invite your support for this critically important event where those who are making a difference on the front lines and those who are shaping policies and programs join to find solutions. This year's Conference will include conversations on gun violence, mental health and substance abuse, cyber safety and other pressing issues.

As a law enforcement officer, and CEO of National PAL, I respectfully ask for your support to assure that the 2025 Annual Conference is truly impactful for all who attend and the communities and people they serve.

Sgt. Christopher Hill
CEO, National PAL

*Thank you for your
support!
- C.H.*
